

Called Into Action

I just received a phone call and verified a few things concerning the flooding in the Atlanta area. We are currently praying about heading out to the Atlanta area to help with the flood relief. Thousands of homes have been damaged and many people have been displaced from their homes. Some local authorities are not letting anyone move back into their homes until they've been repaired because they just aren't suitable to inhabit.

What Can You Do

Please pray for the people who've been affected by this flooding. We never compare one storm or disaster to another, if you're the person whose life has been affected by it, then it is a tragedy to you, no matter what the press says! Please pray for the volunteer agencies already on the ground and responding, there is always a danger in any type of response.

Serving Opportunity

If you desire to join us in the efforts, please contact me immediately so we can decide what the next plan is. Currently we are praying about going up for a week or two, either next week or the week after. Food and lodging will be provided. Transportation to and from will be your responsibility. If you live in our area or on the way, you can join us and just chip in for the fuel!

Website

We will do our best to keep our website updated with any new information as we get it and I get the chance to do so. Please visit us at www.ReliefMinistriesCCSarasota.com.

Final Thoughts

Please keep us in your prayers as we seek the Lord's guidance in this situation. I've already committed to some crisis counseling training the end of the week in Dallas and will be ready to deploy later this weekend, if so called.

We covet your prayers as we strive to become more like Jesus and are His hands and feet in the world around us as the Lord leads.
