

Merry CHRISTmas & Happy New Year

Mary Jo and I just wanted to send a quick note to wish each of you a Merry CHRISTmas and Happy New Year. We pray that you are enjoying family and friends at this time of year, and most importantly that you take some time to remember that Jesus coming to this earth and dying on the cross for our sins is why we celebrate CHRISTmas.

Without Christ, we simply don't have life!

We also want to thank you all for your prayers and support this past year. We were blessed to be able to respond personally to four major storms and help logistically from home with several more. We were able to help feed some in need in NYC on two separate occasions and host two disaster response training camps this past year. In all, Relief Ministries Calvary Chapel Sarasota was blessed to help cleanup and restore over 60 homes and feed thousands of people as we shared the love of Jesus! Lives have been changed for eternity! Without the Lord's guidance and your prayers and support none of this would've been possible. You are truly a blessing to us!

Thanks for all your prayers and support.

Lord Bless,

Curt & Mary Jo Hencye
