

## New York City Thanksgiving Outreach 09 #2

Just wanted to quickly say hello and let you know that we arrived and hit the ground running! Things are going good and we are busy! We have a lot of work to do and will be pushed the next couple of days!

There has been a lot of opposition, but more importantly a lot of fruit and God is working in many ways!! Thanks for your prayers.

Please continue to pray as we will need your prayers even more in the next couple of days. Pray for the Light of the Lord to shine through us and that many lives will be changed as thousands are fed physically, we desire that they are fed Spiritually!!

Thanks for all your prayers and support.
