

## Peru Container Collection for Earthquake Victims

I have recently returned from Peru where I surveyed the damage done from the major earthquake that hit the area last month. We have been working with churches and a Bible College in Peru to help with their relief efforts in the affected areas.

We have secured safe passage for a container to Lima , Peru . We have teams in Lima that will receive the container and distribute it to the needy.

The local pastor there is asking for the following:

Tents as they are living in the streets. These tents need to sleep at least 6 people and must be new, or like new in the original containers with all parts.

Spanish Bibles. They have been doing a lot of outreach and their Bible supply was almost gone a week ago.

Medical Supplies. We have secured a medical team to go to Lima for at least 2 weeks. I have worked with this group before and our church supports them as missionaries. They are currently in Nepal doing a medical outreach and will fly from there to Peru to help out with the needs. I have attached a list of specific items that they have requested.

They also need these items: toothbrushes, gauze and first aid tape, rubbing alcohol, hydrogen peroxide, sterile cotton balls, sterile cotton swabs and worm pills.

The team will be doing basic medical and dental work, seeing approximately 200 patients per day, for at least 2 weeks depending on the needs and supplies.

If you know of any ministry that helps out with providing this type of stuff, please either give them my contact info or give me theirs.

Lord willing, I will be traveling to Peru to ensure that all of this gets into the correct hands and none of it gets wasted.

We will also be accepting cash donations to help with this outreach. Checks can be made payable to Calvary Chapel of Sarasota with Peru Relief put in the memo. You will receive a tax letter at the end of the year for your giving. Please don't give to this outreach in lieu of your normal tithes and offerings, and only as the Lord leads. Mail any payments to Calvary Chapel, 3800 27th Parkway , Sarasota , FL 34235 .

I have also attached a basic needs checklist that outlines the drop off location and times that we will be accepting the listed items. Feel free to make as many copies of this and distribute in any way you feel led. If you don't live in the Sarasota/Bradenton/Venice area, feel free to call me to discuss other ways to get the goods to us!

Thank you for your prayers and support.
