

Peru Invasion January 08

Below is an update on the work continuing in Peru. This is a huge outreach to the people who are victims of last years earthquake. Please pray for the teams and for the Lord to work miracles in the hearts of the people. Don't forget to check out their blogspot!

Please also pray for the release of God's container for the people of Peru. We still have not received it and have not been able to get any information on it since last week. Also pray for patience for me as I am getting restless concerning this whole ordeal, but God is in CONTROL, not the Peruvian government, dock workers and especially me!

please read below!!

Thanks!

Subject: Peru: Invasion

Dear Friends and Family,

We have entered Phase I of the "Invasion" to Pisco. Last night was very exciting. We picked up 18 members of the "troops" that arrived from Calvary Chapel of Downey. Among them was our guest speaker for the outreach; Pastor Fausto Flucker of Calvary Chapel of Pamona. He has been returning to his country of Peru for thirty years and continues to minister to the Peruvian people.

We were reunited with some wonderful brothers from the medical outreach who have returned for the "Invasion". There are some who are on their first missionary journey and some who have been coming to Peru faithfully over the years to bring the gospel.

We hope to update our blog daily with "moment by moment" updates and photos of this exciting outreach. God willing, the concert on Friday & Saturday will be recorded LIVE on the internet so you may be able to see it. Stay tuned for more details.

Much love,
Marco and Monique
