

## Heading Out

We have been asked to go to Jackson, TN to help with the relief work going on there. We are currently packing up and will be heading out in the morning. We will be helping assess the needs and will let all of you know what you can do to help if you are interested.

If you or someone wants to join us, is in the area or needs some type of help, please call me on my cell phone at 941-915-9560. We may not have cell service where we are so if you can't reach me try my wife at 941-374-1607.

Please keep the people who have been affected by these storms in your prayers as well as us as we travel up to help out where we can.
