

We were just contacted to head to Arkansas to help out with a remote town, mostly elderly people, who have been severely hit by ice and winter storms. Most are without power, heat, water and food. So far 30 people have died from this most recent storm in the area that we are heading too. We will be leaving early this week.

We are looking for anyone who can join us. It will be cold; we'll be clearing trees and wires and taking in food, water and generators to help get heat and water restored to homes.

There is a possibility that Mercy Chefs will be joining us, but we need cooks to go and help in order to do this.

We are looking for donations of generators and/or money to help with supplies.

We covet your prayers as we once again head out to be Jesus' hands and feet to the lost world around us.

We will keep you posted as more info comes in. Please contact us directly with any questions or if you are interested in helping out in any way.

Thanks for all your prayers and support.

Lord Bless,

Curt & Mary Jo Hencye

If you are interested in helping with the ministry's expenses we have set up an online giving section on our web page, <http://calvarychapelsarasota.com/306287.ihtml>, or you can contact us directly. All donations are tax deductible.
