

Chuck Chase and myself are heading to Cherokee Village, Arkansas this morning, Tuesday. We will be joined with Earl Wiser, a young man from Buffalo that hooked up with us last year about this time in Tennessee. Approximately 15 people from California are also leaving today and we will be joining their efforts.

Please keep us all in your prayers as we travel into the great white north! We will be clearing trees, tarping roofs, etc and taking in food, water, generators and heaters. It is supposed to get real cold there again this week before heating up a little next week. Many are still without power and roads are still icy and dangerous.

We are planning on being gone for about two weeks and will send out updates as we have them and time/internet connectivity permits.

If you are interested in donating to help offset the cost of this trip, please contact us and/or see below

Thanks for all your prayers and support.

Lord Bless,

Curt & Mary Jo Hencye
